

About Howick

WELCOME TO HOWICK COLLEGE Howick College is a happy, innovative school which is firmly committed to providing the widest range of academic and co-curricular opportunities for all students. The pages of this site will give you details of many of these.

We are committed to doing the best we can to meet individual needs in an environment which is caring and supportive so that our students enjoy their school experience while learning.

Our mission - "equipping individuals for lifelong learning" - means that we hope to nurture in students the academic, personal and social skills to enable them to continue learning and growing as people after they have finished school.
