Homestay

A Home Away from Home.

At Howick College, international students feel safe, supported, and welcomed while living with a caring homestay family. These families provide a comfortable home environment where students are included as part of their family.

Homestay caregivers provide an excellent opportunity for students to practice English, make new friends, and immerse themselves in New Zealand culture. Each host family is carefully selected by our experienced and dedicated Homestay team to ensure a positive, supportive experience. We strive to make sure students have everything they need for a comfortable and enjoyable stay.
