

CAREERS DEPARTMENT

MAST Academy Visit (Marine Industry Trades)

Monday 15 August (H3) at Lunchtime

MAST will be here to talk about the various career opportunities in the Marine and Composites Industries including boat building, marine welding, marine engineering, painting, electrical, cabinet making and sail making. They also cover careers working at a marina like, System Service & Repair, Boatyard Manager, Hardstand Manager, Boatyard Operator and Marina Manager

This is a huge industry and there are plenty of opportunities for work here in New Zealand and overseas.

University/Tertiary Visits for 2022

Presentations may be held online if the liaison is not able to visit Howick College in person. If the presentation is online, a link will be shared as well as being on a screen in the locations.
