

### Welcome to our Howick College family

At Howick College, our motto, "Inspiring a community of passionate learners," reflects our dedication to fostering an environment where every student thrives. Our four core values - courtesy, commitment, curiosity, and courage - form the foundation of our school culture, guiding students to develop into well-rounded, confident individuals and provide an experience you will never forget.

### Homestay and Pastoral Care

Experience Kiwi life with our carefully selected local homestay families who welcome you as part of their family, providing a caring, warm and secure family environment. In addition, the international team knows each international student personally and are committed to their wellbeing.

Howick College provides a high level of pastoral care, guidance and support to ensure international students are happy and enjoying their overseas study experience at our school.
