

CO-CURRICULAR SPORTS AGREEMENT

Sporting activities are offered at Howick College in order to enrich students' experience of school and develop their sporting potential.

- Students will abide by the principles of fair-play and exhibit the school's 4C values when representing Howick College at any sport:
 - courtesy through sportsmanship and respect for the game, the opposition, and the officials
 - commitment through taking part in every training session and effort at practices
 - curiosity through improving skills and abilities at individual level
 - courage through wearing the correct sports uniform, playing gears and putting the team above oneself
- Players, coaches, managers and caregivers would not question the officials;
- Students will abide by the principle of 'no pay/no play' regarding sports fees;
- Parents/caregivers are expected to set a positive example to students and players by showing courtesy and respect on the sideline to the opposition and officials;
- Parents/caregivers should support their children in a positive manner;
- Should parents/caregivers be unable to transport their own child to an 'away' game/fixture, they give permission for their child to be transported safely to and from fixtures by school-organised transport and/or with a responsible person with a full driver's license provided with the approval of the coach and/or teacher in charge of the sports team.

By signing the Howick College Enrolment Form, students and parents/caregivers acknowledge that they fully understand and agreed to the conditions outlined above.
